*During the festive season, the high volume of UK domestic parcels may impact some timed services and deliveries to certain postcodes and areas provided by our courier partners. To avoid potential delays, we recommend placing your pre-Christmas and New Year orders as early as possible. Alternatively, where available, you can opt for Same-Day Collection or Same-Day Delivery services between 22nd and 31st December 2025.

**During reduced operating days and hours, our Standard Delivery service (1 to 3 working days) will still be available. For example, orders placed on Monday 22nd December are expected to arrive by Monday 29th December, while orders placed on Wednesday 24th December are estimated to be delivered by Friday 2nd January 2026.
